OFFICE OF THE PASTOR **BETH EDEN BAPTIST**

November 12, 2026

Dear Church family,

Dr. Craig M. Jenkins

Now that the election cycle for this year has ended (except for Alaska), there is great excitement because the people of this nation have voted for a change to take place, a change for the better. The political landscape has changed effectively as of January 2027. The Democrats will have control of the Congress.

Because of the wins across this country does not mean that those who voted for change, now sit back in the easy chair and feel their work is over. The Republican Party has three individuals who will try to continue to policies or mindset of the president: Steven Miller, Pete Hegsteth, and Jim Jordan to lead the effort of continuing the agenda of Trump. The gains that have been made, demands that people not forget the work, the challenging work of embracing their civic duties, to promote as the Sunday School lesson titles “A Virtuous Leader.”

Morals and ethics are important for the leadership of our country. Those who are in leadership are to have positive moral and ethical values. I pray that all of them have an honest relationship with God and are people of prayer and faith.

Congratulations to the people of Mississippi who elected Scott Colom to be their senator. When former President Joe Biden nominated Colom, to become a federal judge, the Mississippi senator was Cindy Hynes-Smith, who blocked the

recommendation by Biden. Now, Colom will have the power to confirm a U.S. district judge for Mississippi, if or when needed.

Senator-elect Colom stated in his speech after the election that he "kept the faith."

There is something about faith! As we hear messages for the remainder of this year on faith, take time to think of how much power faith has. Your faith is God gives you and "unseen power" that only God can give. Colom said that he will pray, have faith, and work.

Vanessa Bell Armstrong recorded a song titled "Faith." Some of the lyrics are*: I have the faith that sees the invisible, expects the incredible, receives the impossible, faith, that can conquer, anything. Faith, that uproots my problems faith, to know God can solve them faith, to envision my freedom, I have faith, that can conquer anything. Faith, to reach the unreachable, faith, to fight the unbeatable, faith, to remove the unmovable, faith, that stands the invincible, faith, that can conquer anything.*

Auxiliary Presidents, remember to have your ministry's election of officers for year 2027. On January 1, 2027, let all of us begin the new year with all officers of your ministry in place.

PUT ON A SMILE: Faith is letting Grandma say, "Taste this," without asking what's in it.

I LOVE YOU. I REALLY, REALLY DO!
